Help Urged in Fight Over BCDC Proposal

Albany city officials, headed by Mayor Richard O. Clark, are waging a battle for the life of Albany in Sacramento.

AB 2057, authored by Assemblyman John Knox of Richmond and coauthored by Sen. Nicholas Petris of Oakland, designed to continue the development of Bay Conservation and Development Commission, but contains built-in dangers to cities and home rule by giving BCDC jurisdiction from 100 to 1,000 feet inland.

In Albany, this could mean the city would lose the tax revenue from Golden Gate Fields, an industrial area and Albany itself.

It provides the back door route to regional government, city officials warn.

On June 9, the bill was heard by the Senate Local Government committee in a four-hour hearing and approved. It next will be heard by the Senate Finance committee, possibly next week. Albany officials have urged interested citizens to plan to attend the hearing.

Letters or wires may be addressed to California Senate Finance Committee, Sen. Randolph Collier, chairman, State Capitol Building, Sacramento, Calif. 95814.

Rotary Installation, Demotion Saturday

Albany Rotary club will continue its annual Demotion Party and spring dinner this Saturday, June 21, Chairman Joe Dagna has announced.

The social hour will be held at the El Cerrito home of Joe and Dorothy Villa. The dinner and program will begin at 8:30 p.m. at Kirby's. Those attending are urged to go on to the Police and Firemen's Ball at Golden Gate Fields.

Robert Carlson is outgoing president. Jerome Blank has been elected to head the organization for 1969-70. Others include Don George, secretary; Tony Montano, treasurer; Bob Brilliant, Bud Read and Marshall Diehl, new directors, and Fred Duxsee, Clark Hale and George Bernard, holdover directors.

Council

Street Tree Program Will Be Reviewed Next Monday

For the benefit of citizens who have questions, complaints or comments regarding the Albany Street Tree Program, Albany City Council unanimously decided June 16 to invite members of the Park and Recreation commission and P&R Supt. E. J. Rooney to be present next Monday night to review the program.

Much time was devoted to the question, including opening of bids for removal of existing street trees, planting new trees and replacement of curbs, sidewalks and gutters. Three bids were received and referred to City Attorney Larry Saler and Administrative Officer James B. Turner for recommendations.

Also on the agenda was a letter from Dave Greer of 534 Curtis protesting the tree removal program, which he called "the great tree rape," "mass tree murder" and "scheme to denude the city of its trees." He asked for a public hearing to "give the public time to grasp what is going on."

Another letter was read by its author, Kenneth Abbott of 1463 Thousand Oaks Blvd., asking what standard a tree is considered a hazard, the cost of tearing out a tree and replacing the sidewalk and cost of fixing the sidewalk only (without tree removal).

Mayor Richard Clark answered that a tree is considered a hazard when it uprooted sidewalk or driveway, which are dangerous to pedestrians, or caused sewer problems. Turner said it cost an average of \$110 to remove a tree, roots and damaged sidewalk and to replace the sidewalk. Cost of fixing the sidewalk would depend on the square feet involved, which is estimated at 50 cents per square foot on sidewalk and \$1.55 per linear foot for curb.

Abbott said everyone derives pleasure from the trees. He added he does not want the trees removed.

Turner stressed the beautification aspect, including the goal of putting in two trees for every one taken out.

Saler said most of the city's lawsuits are created by people tripping and falling on tree-damaged sidewalks.

Greer said that he and the men accompanying him had no idea that 160-180 trees were to be ripped out and that 358 are slated to go next until they recently received notices. He said those who want the trees out should have them out, but charged that "when you get through the legal

Shirley Parr said that in the summer of 1965, weekly stories about the tree program, written by her, had appeared in the Times. She said people should read and know what is going on. She commended Rooney for his effort and study on the problem.

Because a federal beautification grant is involved, Council was reluctant to hold up the project. Turner said they have a 25 per cent leeway and could spend that much more on tree-planting and a similar amount less on removal.

Greer agreed this would be a good idea, permitting a gradual phasing out of the camphor trees and emphasis on replacement.

Councilman Joe Carlevaro said there is no desire to denude the city of trees, that Council does not want a concrete or asphalt jungle. He mentioned the tree-planting program of Albany Lions club on Spokane and Dartmouth as examples of what can be done.

In other matters Monday night, Council:

PASSED resolutions commending William Davis for service on the Planning and Zoning commission, authorizing the Chief of Police to employ two school crossing guards.

AUTHORIZED the mayor to proclaim this week as Little League Baseball Week, Turner to apply for funds for Solano Avenue under the Mayor's Formula in the amount of \$46,515.81, Turner to refund \$22 to John Hattam.

GRANTED Mrs. B. A. Lolya of 839 Cornell permission to reduce the rear yard setback at her home and a permit to Mrs. Irene Kwasnicki to operate an income tax service in her home (after a continuation of last week's public hearing), specifying that a parking space in her driveway be left open for use by clients.

FILED a letter from Mrs. Robert Kleinhammer, vice president of Peralta Junior College District, concerning problems at Merritt college and unanimously approved a related resolution, which had been held over for her comments; a letter from J. Henry Kruse, Jr., president of Albany Lions club, commending the Council for its untiring efforts toward appropriate development of Albany shoreline; communication from Rooney announcing that C. F. Graeber is the new chairman of Park and Recreation commission; W. A. Miller, vice chairman, and Ruth Meniketti, secretary; communications from the Air Pollution Control district advising that 10 tons of chemicals have been used in the Berkeley dump area to control odor and

that the Regional Water Quality Control Board will be meeting with Berkeley officials this month.

DIRECTED a resolution be prepared to be submitted to state legislators expressing concern over tax reform legislation which could mean higher interest costs to municipal governments.

HELD OVER for a work session a proposal from Peralta Junior College District that a charter change be considered to change dates of the school board elections to the third Tuesday of April of each odd-numbered year.

REFERRED to the Police Chief a letter of commendation from Chester I. Fox of a recreation center at 811 San Pablo Ave., stating that the cooperation of the department, composed of "men of superior quality," has made it possible to offer billiards in wholesome, respectable surroundings.

HEARD answers to four questions by Jeannette Rutherford of Albany Homeowners and Taxpayers by Saler and Turner in which it was stated that, in effect, the Finance Officer is the City Auditor, it is the right of every citizen to have access to public records, that Council regularly receives certified copies of the audit of school finances by a certified public accountant, and that the Board of Education has never requested funds exceeding the 35 cent tax limit, which was collected for it by the city.

An Emeryville resolution opposing the encroachment on home rule by Bay Area Conservation and Development commission legislation now pending arrived too late for the agenda. It was filed because Albany is actively engaged in fighting such measures.

Councilman Lewis Howell again commended Mayor Clark for his effort in Sacramento, which have "brought other cities to see our side of the problem. I hope he'll carry on and I hope he wins, but if he loses, at least he went down fighting."

Clark said it seems the City of Albany and those who pay taxes will be the losers.

Councilman H. F. Call added that a few years ago the Albany waterfront was supposed to be safe because of the "grandfather clause," but now the City is involved in two court cases over that clause.

"People are trying to sabotage the orderly development of our waterfront," Call said. "Strangely enough, some of them live in Albany . . . they're also for the Knox-Petris bill. I feel people should go to the hearings in Sacramento . . . I'll close my business if necessary."

The meeting adjourned at about 10:10 for an attorney-client session concerning the waterfront.

SENIOR CITIZENS

446 Masonic Ave.

By Minnie Ingraham

The auction at the Centor on Saturday, June 7, proved to be a happy event and a financial success. The visitors who streamed in during the day and stayed for coffee-and-cake seemed to enjoy meeting old friends as much as they enjoyed browsing among the displayed merchandise. Once more, a sincere thank you to all who came, and all who gave so generously to augment our stock.

We are again saddened by the loss of a member, who went to her eternal rest last week, following her husband by just three months. Free from pain and mortal strife; she was a quiet, gentle and shy little lady . . . our Elsie Castle. Wrapped in her own dignity, but emanating warmth and charm to those who knew her. We shall miss her!

The pot luck luncheon preceding the business meeting was by way of a celebration for Mother's Day, on Tuesday, June 10. And such pot luck! Jackie Gleason may have the world's best audi-

ences in Miami Beach, but we have the finest cooks anywhere, every one of them worthy of a "cordon bleu."

A few vacancies are still available for the Mt. Diablo pick-nick, on the 24th, and we are trying an innovation in box lunches. Call 526-3078 for details . . . non-members are welcome.

Prizes are stacking up again for the July 1st Oglesby party, to be preceded by a catered lunch, which has proved to be a culinary delight. Call 526-1601 for your reservation on this. The popularity of the whist party may drive us to call them Park parties, and move them into the Park playground across the street. Outdoor whist . . . that would be a twist wouldn't it? Refreshments at noon and then the fun begins, with plenty of prizes.

Our Ice Follies junket will be on Wednesday, July 30, to Winterland in San Francisco. This is the original Shipstads & Johnson show with all the dainty dollies and gyrating guys who make this show such a memorable event. Call 526-1601 for reservations on the best seats in the house.

Soroptimist Contribution

JACKIE RASBERRY, left, president of the Soroptimists of Albany, presents a check for \$73.25 to the Dana Lynne Minellone Memorial Kidney Machine Fund, to Trustee Yvonne Walkup, also a Soroptimist. The fund has now reached \$178.25, is maintained at the Plaza branch of Mechanics Bank. Tony Cabral is the second trustee of the fund.

SUMMER ADULT SCHOOL WILL OPEN JUNE 23RD

If your plans for July are still unresolved, why not attend school? The Summer Quarter of the Albany Adult school will

begin on Monday, June 23, and continue for seven weeks through Aug. 8.

Republican Women Hear Wm. R. Foley

William R. Foley, attorney at law affiliated with the law firm of Robert J. Foley, Albany, will be guest speaker at the June 25 meeting of the Albany Republican Women, Federated. Since this is a Patriotism Program, his topic will deal with selected portions of the Bill of Rights.

Luncheon will be served at 12 noon by Hostesses Marjorie Kane and Elsie Ottman. Reservations should be made not later than Monday, June 23, by calling Una Roderick at 524-0410. All are invited.

OES Honors Deputy Grand Matron Friday

Albany chapter 550, Order of Eastern Star, will honor Deputy Grand Matron, Dorothy K. Long of 30th district, on her official visit at 8 p.m. Friday, June 20, at Albany Temple, 533 San Pablo Ave.

Clytie Serley, Worthy Matron, and Lowell Keith, Worthy Patron, will be in charge.

Chairman for the evening is Helen Brickley, Past Matron. Refreshments will be served.

The Summer Quarter will offer all interested students a varied curriculum with most courses applicable towards high school credit. Academic subjects include English, mathematics, foreign language, and history. A wide selection of business, home-making, art, and music classes will also be available through the Adult school. Students with specialized interests might prefer attending such courses as rapid reading, gardening, photography, psychology, pottery, real estate, swimming, data processing or furniture refinishing. Altogether, over 100 day and evening classes have been scheduled.

Most classes will meet on the campus of Albany High school, 603 Key Route Boulevard. Persons wishing further information should call 526-6441 and ask for the Adult Education Department.

Senior Citizens Discuss Lower Bus Fares Today

Members of the Council of Senior Citizens of the Bay Area will meet with Allen Bingham, president of the AC Transit Board, at 508-16th Street, Oakland, at 4 p.m. Wednesday, June 18, to discuss a lower fare for Senior Citizens, similar to the one soon to be in usage in San Francisco.

All Seniors over 65 years of age are encouraged to join this movement at this time, to forestall a raise in rates.

NDGW Pope Benefit Today

Albany Parlor 260, Native Daughters of the Golden West, will hold a "Fun Game" today at 533 San Pablo Ave., with the proceeds going to the Arnold Pope Children's Fund, that has been established at the Security Savings and Loan in Albany.

Refreshments will be served at 12 noon and the game starts at 1 p.m. Donation, \$1.

Serving on the committee will be Grace Colatorti, Della Madding, Ynez Leigh and Marge Gilreath.

The public is invited to attend.

Haberkorn Speaks For High 12 Friday

Herbert W. Haberkorn will address Albany High Twelve Club at the regular luncheon Friday noon, June 20, 1969, at Kirby's, El Cerrito Plaza. His talk will be illustrated with color slides.

Since retirement as a PG&E vice president, Haberkorn has combined business with pleasure by travelling to the far corners of the earth, consulting on electric power problems. Albany

LEGION BASEBALL

end your ice follies.

Get a no frost refrigerator-freezer.

Nobody has to do the old song and dance with sloppy, melted ice anymore. Nor the pushing and shoving and chipping and cracking that went with defrosting . . . along with spills on the floor. So why do it?

New refrigerator-freezers don't form frost—anywhere. And with no frost, there's no defrosting chore. New thin-

wall refrigerator-freezers provide more storage space in the same floor space—they're bigger inside but no bigger outside. And automatic ice-makers make ice tray bother a thing of the past.

See your dealer for a no frost refrigerator-freezer and end your ice follies forever. PG&E
